SUNSHINE FIT KIDS – SUMMER CAMPS 2024

10 Themed Summer Weeks

#1: June 24-28 - GARDENING & INSECTS - Children will engage in hands on gardening activities such as decorating pots, planting seeds and catching creepy crawlies.

#2: July 2-5 (short week) - DINOSAURS - Learn to be a paleontologist and investigate fossils (bones, teeth, claws, skulls), dig for dinosaurs and eggs and learn exciting facts about dinosaurs.

#3: July 8-12 - PRINCESS/PIRATE - Ahoy ye Mateys! Grab yer treasure map and rescue the princess using the spyglass and ribbon wands we will be making.

#4: July 15-19 - CAMPING - Pitch your tent, cozy up near the fire pit and join us for a week of summer camping.

#5: July 22-26 - SUPERHERO - Calling all Superheroes in training! Come and make your shield and cape as you prepare to save the world!

#6: July 29-Aug 2 - SPORTS - Hut, spike, catch, throw, run, jump, kick, shoot and score! Go long and catch some sports action!

#7: Aug 6-9 (short week) - AROUND THE WORLD - Children will experience a new country each day while expanding their knowledge of the world.

#8: Aug 12-16 - SCIENCE & EXPERIMENTS - Does it sink or float? Does it mix? Let's learn about volcanoes and geysers by doing experiments and how to make our own slime!

#9: Aug 19-23 - CIRCUS - Come one, come all! Come join us under the big top. Children will get to explore gymnastics, dance and their creative side with the week.

#10: Aug 26-30 - SPACE - Stars, planets, moons ... let's travel around the galaxy and learn about the mysterious and magical universe.
